COPIES OF OLD SURVEY MAPS

In addition to the original survey map archives of:

G. L. Sprinkle, PLS
Sprinkle Surveying, P.A.
Samuel L. Sprinkle & Associates
Cabe Surveying, PLLC

Sprinkle Surveying, P.A. has gone to great expense to obtain and store portions of the historical survey map archives of the following retired or deceased surveyors:

Riley W. Henry, PLS
Gardner V. Holden, PLS
Thomas H. Cabe, PLS

Unless recorded in the public records, a survey map is prepared exclusively for the use of the person or persons named thereon. They paid for it, and the surveyor acts as custodian of the client's property in good faith. Anyone named on these old survey maps is entitled to additional copies of their product at no charge.

Sprinkle Surveying, P.A. purchased and stores these old maps to provide historical support for the surveys we perform today. Copies of our archived historical survey maps may be available for purchase by the general public, or their agents. These old maps no longer meet state-regulated survey mapping standards, are typically not certified (signed and sealed), and contain antiquated information at best. They are not suitable for conveying property, and would only be made available for informational purposes. Old, outdated title and other insurance policies don't pass from owner to owner when property is conveyed, and neither does an old survey.

**USE OF THESE MAPS BY ANY THIRD PARTY TO CIRCUMVENT OBTAINING
A CURRENT CERTIFIED SURVEY FOR PROPERTY CONVEYANCE IS
STRICTLY PROHIBITED.**

Viewing of archived maps can be arranged to help correct deed or scrivener errors, or for resolving ambiguities discovered in the performance of a current survey.

If you would like to inquire about obtaining copies of historical survey maps from our archives, please contact us at the number above. Requests will be considered on a case by case basis, so please be prepared to state your purpose for obtaining copies. If approved, a fee will be quoted at that time.
